Lake Cascade State Park Crown Point Trail (winter)

Hasbrouck Ranch

From Hwy 55 at Clear Creek, go 1.2 miles west on Cabarton Road to the parking area on the south side of the road.

There are about 5 miles of trails among rolling meadows and aspen groves. Winter wildlife abounds along these trails. The westerly and more difficult trail offers views of Long Valley and the East Mountains.

Crown Point Trail

From Cascade, go north on Hwy 55, to just after the Catholic Church turn left on Vista Point Boulevard. At the stop sign go straight ahead, crossing Crown Point Parkway, to the parking area. The campground is to your left. The parking area is fairly small.

Crown Point Trail is an old railroad bed that parallels the shore of Lake Cascade. It is an easy flat trail with spectacular vistas.

This trail is in a multi-use corridor. You may encounter snowmobiles.
